It is crucial for new students to have a uniform fitting before starting, or if unsure about sizing, to guarantee a proper fit. Appointments are available throughout the year, and our online ordering portal features size charts to assist you with your order.

Please allocate approximately 20 minutes for each appointment. As each student requires an individual fitting, please remember to book a separate time slot for each child.

Use the above link to schedule your appointments and access the updated price list.

For any assistance with the online system or if you have inquiries, please contact the Campbelltown location via email.

Your designated Belgravia Apparel store is conveniently located at 10 Newton Rd, Campbelltown. Entry is via Newton Rd and parking is available at the front or rear of the premises (access rear parking via Waymouth street).

We encourage families to purchase all required uniform items during the fitting appointment. Additional items can be fitted and ordered online as needed.

In the event of sizing issues, exchanges can be made within 30 days, provided the items are unworn and in their original condition, free from pet hair, strong cooking odours, and smoke. Proof of purchase will be required.

For any enquiries, please feel free to reach out to our friendly shop staff via email at: [Cambelltown.schools@belgraviaapparel.com](mailto:Cambelltown.schools@belgraviaapparel.com)

See you soon!
